TERMS OF CREDIT AGREEMENT

1. We will bill out the deliveries at a charge price (10 cents per gallon over the day's posted cash price). Full payment is due in 30 days. If the delivery is paid in full within 10 days, you pay the CASH PRICE. You can mail your payment to the above address or stop by our office on Route 137 in Waldo.
2. If the balance due goes beyond 30 days, a FINANCE CHARGE is added at a periodic rate of 1.5 percent per month (18% annual). **If balance is not paid within 30 days, your account may go on delivery hold.** All previous delivery balances need to be paid before another delivery is made.
3. We are happy to accept your check. By paying with a check, you are accepting our policy on check acceptance. In the unlikely event that your check is returned unpaid, you authorize us to convert your paper check to an electronic check and electronically redeposit the check to your account. You also authorize us to collect (by the same process) a returned check fee as allowable by law \$35.00 (thirty-five dollars). Innovative Payment Solutions LLC 1-800-477-2432.
4. All customers exceeding the limit of credit purchases will be put on a HOLD status until adequate arrangements have been made with the Credit Department.
5. WE RESERVE THE RIGHT:
 - a. To limit the extent of any customer's credit purchases.
 - b. To make changes in rates and charges as the market dictates.
 - c. To deny credit to any customer. (We do not discriminate against applicants on the basis of race, religion, sex or marital status.) Any customer being denied credit will receive a letter stating the reason(s) why.
6. Any account, which goes 60 days without payment, is subject to review. All collection fees, including legal fees, are the responsibility of the customer.

IN CASE OF ERRORS OR INQUIRIES ABOUT YOUR BILL:

The "Federal Truth in Lending Act" requires prompt correction of billing mistakes. If you feel that there has been an error in billing, please contact us promptly as to the suspected error. We will examine the bill and respond accordingly.
